Dear Mr. Greenspan,

This will confirm that you heard CBM 940 in Montreal on the evening of March 13, 1995.

What you heard was the national 10 p.m. news, from Toronto, followed by regional weather from the Montreal office of Environment Canada, our weather office.

This was followed by Between The Covers, a program in which books are read, another program from the CBC National Network.

I hope you enjoyed what you heard,

John Yorston,
Manager,
Regional Communications,
CBC Montreal
